**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have written once before on this subject and it's imperative that you take steps to assure I have the best internet service I've ever had from Sonic, a small ISP in Santa Rosa, CA.

Their service is critical to me. Allowing the giants whose service doesn't hold a candle to Sonic's to quash competition is outrageous. Please protect the interests of the greater public instead of the interests of giant corporations. That's your responsibility - the public needs access to better providers -- please protect us.
